MEMORANDUM NO. PDLC 18-43

TO : All System and Constituent University Officials
All Faculty, Students, and Staff

SUBJECT : **Activities for the UP Day of Remembrance**

In view of our having proclaimed September 21 as UP Day of Remembrance to celebrate and perpetuate the memory of those who contributed to the resistance against martial law and to the struggle for civil liberties and human rights, I am encouraging all administrators, faculty, students, and staff throughout the System to participate in meaningful and peaceful activities for this purpose on that day in their respective campuses.

While there will be no suspension of work and classes, members of the UP community may be excused from their work or their classes for the duration of the activity (with the exception of personnel engaged in frontline and emergency duties).

DANILO L. CONCEPCION
President
