Purpose of the VPN

Please describe the purpose of the remote access, and the activities to be performed. If access requires software, identify client software and any licensing considerations associated with its use.

I understand that providing access to remote users and devices exposes UP Diliman Network (UP DilNet) to certain security risks. In the event of a computer compromise, I understand that UCC may disable the VPN and terminate active VPN connections without requesting prior consent.

Signature over Printed Name

Date

I understand that providing access to remote users and devices exposes UP Diliman Network (UP DilNet) to certain security risks. I accept responsibility for the risks imposed by the remote users I sponsor.
