Paksa : Karagdagang Alituntunin para sa Pagsumiti ng Parol para sa *Virtual Lantern Parade*

Magandang araw sa ating lahat!

Narito po ang mga karagdagang alituntunin para sa pagsumite ng inyong mga parol para sa ating *Virtual Lantern Parade*. Bukod sa aktwal na parol na isusumite, maaari na din po kayong magsumite ng bidyo ng inyong *virtual* na parol, ayon sa mga nakasaad sa alituntunin ng '*Video Lanterns*'.

Umaasa kami sa inyong patuloy na kooperasyon at suporta.

Maraming salamat.

DR. ALELI B. BAWAGAN

Vice Chancellor Community Affairs

Confirmation of Participation

Units that would like to participate in the virtual Lantern Parade 2020 are required to signify their intention to participate in the Parade on or before **Monday, November 16, 2020** by emailing the following details to the Lantern Parade 2020 Committee at lanternparade.upd@up.edu.ph:

1. the form of the lantern, whether **physical** (please indicate if the lantern is in the form of a costume, headdress, handheld *parol*, or maquette) or **virtual/video**;
2. the **focal or coordinator** for the unit's lantern production; and
3. the **contact details** (email and mobile) of the focal/coordinator.

This is to allow the Lantern Parade 2020 Committee to coordinate directly with the lantern focals/coordinators for the documentation, program inclusion, and submission of the lanterns.

Physical Lanterns

1. Physical lanterns may be in the form of a costume, headdresses, a handheld *parol* or a maquette/scale model/miniature lantern.
2. As indicated in the Memorandum No. ABB 20-12, physical lanterns should be no more than 12x12x12 inches in dimension.
3. Cost-efficient production and use of recycled materials are encouraged. Units are encouraged to use innovative and eco-friendly strategies to produce their lanterns.
4. Physical lanterns should be ready by 27 November 2020, 5:00pm, for submission. It should be accompanied by a 250-word description explaining the concept and how it relates to this year's theme of "Abot-Kamay, Abot-Tanaw: Sulong sa Bago at Mas Mainam na Bukas."
5. The lanterns will be documented, captured on video, and collected by the Lantern Parade 2020 Committee for physical appraisal by the judges.

Video-Lanterns

For video-lanterns, please click this link for a sample reference of cube projection on three faces: https://bit.ly/cube_sample.

1. Video-lanterns must be conceptualized for a 180-degree cube projection occupying three (3) faces of a cube: two sides and the top side (see Fig. 1). Units may use recorded performance, animation, texts, or other digital media to create their lanterns. All are encouraged to be creative in conceptualizing the video-lanterns specifically for cube projection.

2. Because the videos will be projected on square surfaces, active elements of the videos must be positioned strategically to ensure a safe space for the animated elements. Texts must be formatted accordingly to avoid being cut off in the projection.

There are two possible aspect ratios for the videos: 1:1 for one face (see Fig. 2) or 2:1 for two faces (see Fig. 3).

3. Videos must not run beyond one (1) minute. Videos longer than this will be trimmed or shortened by the editing team.

4. For video recordings, should the lantern include performances, horizontal or “landscape” orientation is recommended. Units are encouraged to record videos in high resolution (1080p or higher).
5. Video-lanterns should be submitted at lanternparade.upd@up.edu.ph by 27 November 2020, 11:30pm, via Google Drive (UP Mail accounts, if available, have very large storage). Units may also opt to submit via flash drive, file transfer, or mobile storage to Ms. Lenina Ocampo at the Office of the Vice Chancellor for Student Affairs, 1/F South Wing, Quezon Hall.
6. Video-lanterns should be accompanied by a 250-word description explaining the concept and how it relates to this year’s theme of “Abot-Kamay, Abot-Tanaw: Sulong sa Bago at Mas Mainam na Bukas.
