16 October 2025

Memorandum No. JFA – 25 – 27

To : UP Diliman Community

Subject : **Reintroduction of TOKI Jeepney Route (Trial/Experimental Run)**

We are pleased to announce that the **TOKI jeepney route will resume operations starting Friday, October 17, 2025**, as part of a **trial or experimental run**.

Based on the results of consultations with various campus stakeholders, the updated TOKI route has been carefully designed to cover more areas across the campus, including academic units and offices, dormitories, and residential areas.

The reintroduction of the TOKI route aims to help decongest major thoroughfares by redistributing passenger demand and ensuring that more areas are served by our transport groups. This initiative will improve campus mobility and promote equitable access to public transport for the UP community.

During the trial period, the TOKI jeepneys will be of service **every Tuesday to Friday, from 6:00 AM to 6:00 PM**. A route map is attached for reference. The TMO will closely monitor passenger flow and operational efficiency to guide future adjustments to the service.

Thank you for your usual support and cooperation.

JERWIN F. AGPADA

Vice Chancellor for Community Affairs
