MEMORANDUM ORDER NO. ECLV-26-017

TO : All Unit Heads, Faculty, Staff and Students  
SUBJECT : Invitation to Sustainability Fiesta 2026

---

In celebration of UP Diliman Environmental Sustainability Month this April, the UP Diliman Environmental Management Office (UP DEMO) will be holding Sustainability Fiesta 2026 on April 24, 2026, from 8AM onwards.

With the theme, *Arugâ: Paglilinang ng Luntiang Komunidad*, Sustainability Fiesta 2026 emphasizes sustainability as a shared responsibility rooted in care, stewardship, and collective action across the University.

The event will feature participatory activities such as a campus transect walk focusing on UP Diliman's Environmental Sustainability Action Plan and a sustainability solutions art workshop. UP DEMO will also be introducing two new initiatives: the Green UPDate Database and Expert Network and the UP Diliman Solid Waste Management (SWM) Playbook. Sustainability-related enterprises were also invited to showcase their products and services to the community.

Everyone is invited to participate in this initiative. To learn more about Sustainability Fiesta 2026, you may visit UP DEMO's Facebook page or email [demo.updiliman@up.edu.ph](mailto:demo.updiliman@up.edu.ph).
